[Get A Grip Franchising, LLC](#)

Unlike many franchise programs, veterans need no previous industry experience to join. Our no royalty franchise features a turnkey, complete business system, including: state-of-the-art operations manuals; readymade, "how-to" network and advertising materials; customized press release and photographs for media coverage; 10-day, hands-on, on-site training in commercial and residential applications; complete set of tools and equipment; and on-going accounting and technical support.

**Specific Veteran Program(s):** Get A Grip gives a 10% discount on the no royalty franchise fee (based on population), available only to honorably discharged veterans as a way of thanking them for their service to our country. Veterans can own an innovative, mobile, surface restoration franchise business that caters to the needs of virtually all home and business owners for much less than other franchise programs. We provide guidance and regular business/marketing insights from friendly professionals who genuinely care about you.

**Veteran Ownership** of franchised units and management of company-owned units:

	Company	Veteran Participation	% Veteran Participation
<b>Total Franchised Units</b>	16	3	18.8%
<b>Total Company-Owned Units</b>	1	0	0.0%
<b>Total Units</b>	17	3	17.6%

**Veteran Representation** in corporate management structure. Applies to senior-level management.
